MEMORANDUM FOR:

STAT

SUBJECT : Management of Specialists in the "S" Career Service

1. The Deputy Director's Panel has reviewed and forwarded to the Deputy Director for Support the report that you submitted on the management of specialists in the "S" Career Service. Your report reflects a very professional job and should lead us in the path of better management of specialists in the future. In this regard, I have asked the Career Management Officer to serve as the action officer on your recommendations. Should you, as Panel members, be interested in specific actions that your Career Service has taken as a result of your study, please don't hesitate to contact the Career Management Officer.

2. The time that you devoted to this study while still continuing to perform your normal Agency responsibilities is greatly appreciated. You can be assured that you have made a valuable contribution to the managing of the Support Career Service through your report.
